

TIMELINE CONTENT RUBRIC

This tool will help you construct your timeline. Your timeline should cover the selected time periods and consist of both text and graphics. The timeline will help you with the next section of the web curriculum and be a part of your final portfolio

CATEGORY	CONTENT
Time Periods	Catalog the five major time periods in Western Music stating the name and dates of each period.
Composers/Musicians	List birth and death dates of major composers/musicians of each time period listed above.
Music in History	List what was going on in history during each composer's lifetime and possible influences: i.e. the Napoleonic wars and Beethoven's 7 th symphony.
Musical Works	State major works by each composer.
Contemporaries	Catalog the composer's contemporaries and explain any influences on the composer (i.e. people, literature, history, etc.).
Musical Influences	State any musical influences that pertain to your composer's works or life.
Contribution to Musical History	This is the most important part. Record major musical contributions of each composer. What legacy did the composer leave to musical history.
Source Material	Include all source material with the timeline. See resource page for details.
Overall Design	The overall design of the timeline must be neat and organized. The provided template can be used for you timeline. Familiarize yourself with the use of tables in Word and ask for help if needed by emailing your instructor.
